RESPONSE TO NOTICE TO COMPLY

Sir:

In response to the Notice to Comply with Sequence Requirements mailed on June 1, 2007, the following items are enclosed:

1. A revised paper copy of the sequence listing;
2. A revised copy of the sequence listing on diskette;
3. A statement that the paper copy and electronic copy of the sequence listing are identical.
4. A petition for extension of time of one month and the fee for same.
5. A copy of the June 1, 2007 Notice to Comply.

Please amend the application to replace the current sequence listing with the sequence listing that is enclosed. This sequence listing includes no new matter.

This paper is believed timely with the extension of time of one month included herein. If a further extension of time is necessary to make the paper timely, kindly grant an extension of time and deduct the fee for same from Deposit Account No. 02-4800 in the name of Buchanan Ingersoll PC.

Applicants note that it appears that the compliance notes, with the exception of the final, additional note from reviewer "markspencer," were based on a previous version of the sequence listing. The version submitted by applicants was fully responsive to the May 1, 2007 Notice, and it is believed that no fee for the extension of time should be due.

Entry of this amendment as well as prompt and favorable reconsideration of the pending claims are requested.

Respectfully submitted,

Dated: June 18, 2007
